

Lessard-Sams Outdoor Heritage Council

MEMO: **Agenda Item #8**
DATE: January 3, 2025
SUBJECT: Council Funding Recommendations & OHF Bill Language – ML2025/FY2026
PRESENTER: Chair & Staff

Suggested Motion:

Motion by Member XX to approve

1. Potential additional Core Functions funding as decided by Council
2. Potential additional provisions to bill language as decided by Council.

Suggested Procedure:

Council to discuss any potential changes to funding recommendations for Core Functions, as well as discuss the bill language with respect to potentially additive language, and decide from those discussions if additional actions are necessary.

Background:

At its December 10, 2024 meeting, the Council reaffirmed its basic ML2025 funding recommendations and bill language. In addition to those recommendations, today's discussion will review and discuss any merits and needs for alteration to the recommendations as well as the bill language to be forwarded to legislative leadership by January 15th.
