Subject: Accelerating Habitat in Southwest Minnesota - Requesting

Joe,

We are looking to add fee acquisition to our two grants covering southwest Minnesota to better respond to landowner demand. We have been in contact with the DNR and have identified parcels we are interested in assisting the DNR in acquiring. We would like to get on the agenda for the upcoming LSOHC meeting to make this request.

Wayne said he spoke to you and asked me to share some information with you about phases 2 and 3 of the Accelerating Habitat Conservation in Southwest Minnesota grants.
