Lessard-Sams Outdoor Heritage Council

MEMO: **Agenda Item #9**

DATE: November 5, 2026

SUBJECT: Draft Council Calendar for ML 2028/FY 2029

Suggested Procedure or Council Considerations:

1. Council to discuss the draft Council calendar for ML 2028/FY 2029 and provide consensus agreement on holding a meeting of the LSOHC on May 26, 2027.
2. Consideration of the remainder of the proposed meeting dates will take place at the May 26, 2027 Council meeting.

Background:

Typically, in November, the Council will agree by consensus on the draft calendar for the following ML year funding cycle. Being that there will be new Council members starting after this calendar would be approved, it is suggested that the Council agree upon a meeting date for May 2027 only.

Members may take note of the tentative dates for subsequent meetings in calendar year 2027. The Council will then reconsider advancing the full calendar at the May 2027 meeting.
